

THE MANUFACTURER (*)

OMARLIFT S.R.L.
Via F.lli Kennedy 22/D
I-24060 Bagnatica (BG)

(*) SEE THE NAME INDICATED ON THE PRODUCT IDENTIFICATION LABEL

STATES

Hereby that the following safety component:

Product Description: HDU device, electrically controlled hydraulic valve with the purpose to avoid unintended car movements away from the landing position in down direction

Mark: OMARLIFT

Type valve (commercial name): HDU 380

Serial number and manufacturing year: see the product identification label

is manufactured in conformity with the specification of the European Lifts Directive 2014/33/EU dated 2014-02-26 AND Machinery Directive 2006/ 42/ EC dated 2006-05-17

1) **Lifts Directive 2014/33/EU**

Valid from 20/04/2016

Referring directives or standards	Type Examination: certificate		
	Number and Date	Notified Body for issuing the Certificate	Notified Body for manufacturing controls
<ul style="list-style-type: none"> - EU Directive 2014/33/EU – Edition 2014 - European Normative EN 81-20 : 2014 EN 81-50 : 2014 EN 81-2:1998+A3:2009 	EU-UCM 020	TÜV SÜD Industrie Service GmbH Notified body 0036	TÜV SÜD Industrie Service GmbH Notified body 0036

We state the conformity of above said component with the corresponding EU - type examination certificate.

2) **Machinery Directive 2006/ 42/ EC**

We state the conformity of above said component with the corresponding above named type certificate **EU-UCM 020** and with a Risk Assessment, especially on the base of same requirements.*

It is certificated, that the safety component is in conformity with the proved test sample of the EU type examination.

* This component is defined as a safety component according to MD 2006/ 42/ EC Annex V (17). No procedure referred to article 12(3) and (4) exists for this component. This component is not defined in Annex IV, therefore according Annex VIII / 12 (2) is valid. There is no particular harmonized norm existing to announce this conformity. As the requirements for this safety component are comparable to the requirements according to the Lift Directive 2014/33/EU, we announce the conformity therefore. Special features of the design of the machinery according to MD 2006/ 42/ EC in opposite to the Directive 2014/33/EU has to be described in the Risk Analysis of the machinery.

Signed by the authorized responsible person on behalf of the manufacturer and for compilation of technical files and above mentioned address of the manufacturer:

Authorised person to compile the technical file for Machinery Directive (acc. to Annex II / 1. A 2.)
